

**Sub: Quotation for the supply of Multi-Physics software**

Sirs,

Sealed quotations are invited from experienced companies for the supply of Multi-physics software with the following specifications.

1. It should have the equation based modelling capabilities.
2. It should allow the user to interface several Physics problems simultaneously.
3. User should be able to add and modify equations according to the model within the GUI.
4. The software is to be used for academic purposes so it should also have features to build simulation applications.
5. There should be an option in the software to add new materials besides the inbuilt material library modelling.
6. No restriction in solving degree of freedoms/elements.
7. The license should preferably be perpetual CPU locked (permanent).

Kindly submit all the information in two sealed envelopes addressed to the Principal Gargi College, Siri Fort Road, New Delhi 110049 latest by 5/2/18. Envelope no.1 shall contain the technical specifications of the Multi-Physics software with the heading "**Quotation for the Multi-Physics software Technical**" written on the top of the envelope. Envelope no.2 shall contain the price bid with the heading "**Quotation for the Multi-Physics software Price**".

Yours Sincerely
