

Name : Dr. Nisha gupta

Associate Professor

Physics Department

Qualification: M.Sc. M.Phil. Ph.D (D.U.)

Teaching Experience: 25+yrs

Specialisation:Fiber Optics ,Electronics

Awards and scholarship:

1.Gold Medal in B.Sc.

2.Merit scholarship for studies in B.Sc.and M.Sc.

3 CSIR fellowship for Ph.D.

Covenor:

1. Was convenor for two National level seminars, one was Optical fiber based probes and other was Physical and chemical effects of environment

2. was a resourse person in a seminar done by Physics Deptt.

Papers published in International Journals=4

Papers presented in National Seminars =5

International seminars attended=4

National seminars attended=15 approx

Projects: An interdisciplinary Innovation Project "To Device A Cost Effective set up cell Identification, Chactererisation and Separation"of D.U. was done along with two other teachers.

Summer Schools:Organised two summer schools on Optical

Fiber and its application.

Add On Course: Organised an add on course on Photonic : a
Technology for future.

Other activities

1. Worked as mentor for two research paper presented by students in a
National Symposium

2. Was a member of two committees for judgment of poster presentation
of Innovation projects and other projects of D.U.

Consultancy/Experience in Committees

1 Member of Auditorium Committee

2 Convenor of HUES for one year

3 Member of Eco Club and HUES

4 Convenor for exhibition Envirofest in college festival

Administration

1. TIC Physics for two terms

2. Worked as Deputy Superintendent of Examinations of D.U.at college

3. Worked as Convenor of science Admissions in college
